Brand x share in Company

Cash / installment contribution

Share is measured within Brand x attributed categories (per source).

Key insights

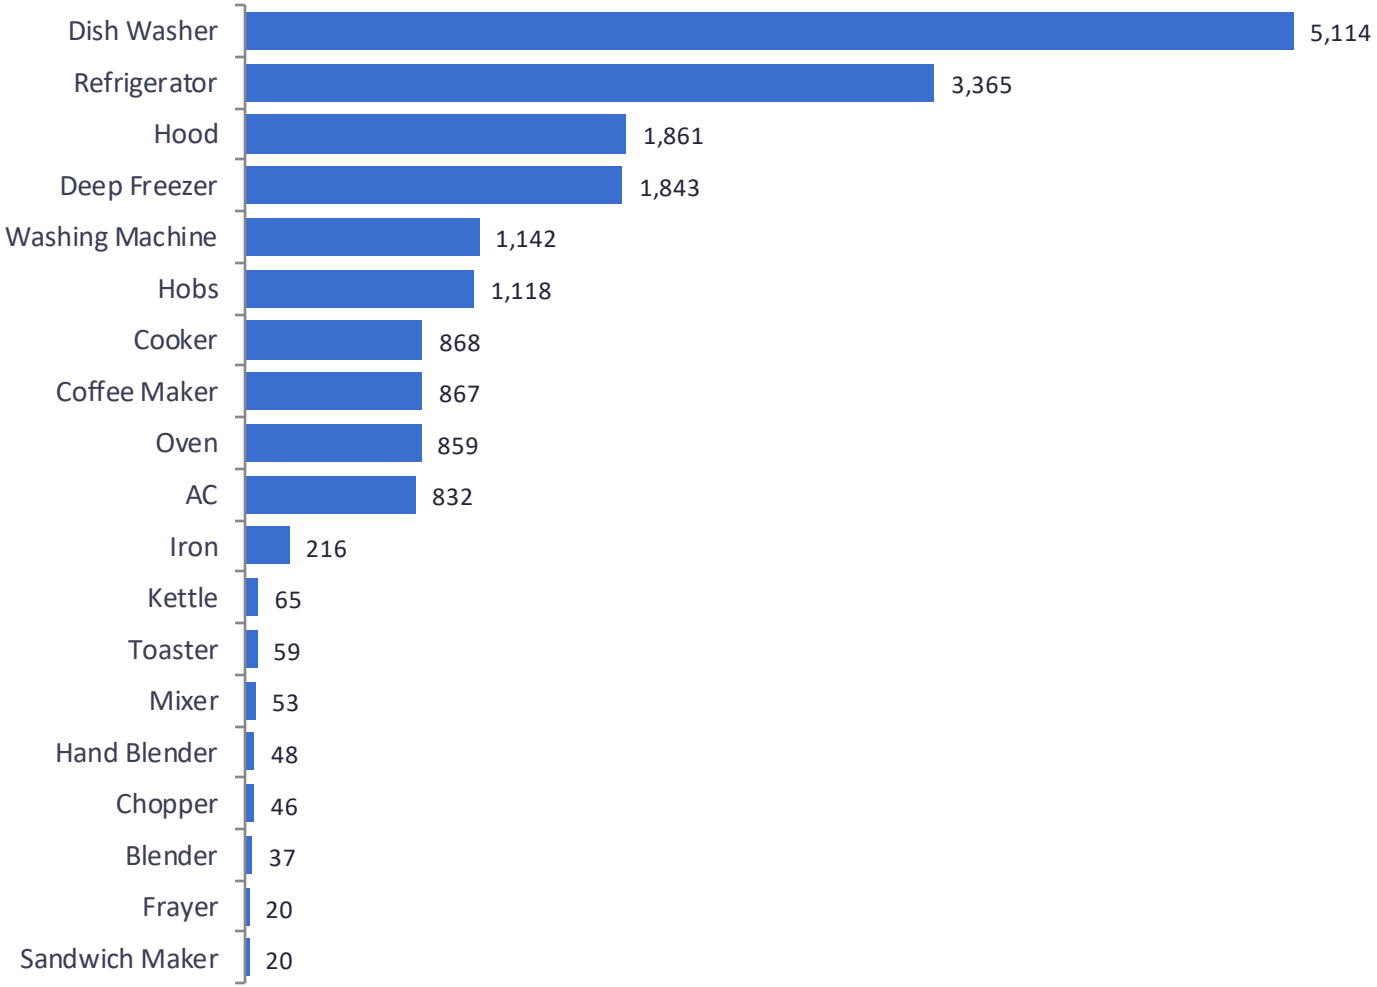

5.1% share. Roughly 1 in 20 sales; other brands hold 18.6x Brand x's share.

86.9% cash. About 6.6 cash sales for every installment sale.

18,433 units across 19 sub-categories, ~970 each on average, but heavily skewed (next slides).

0.18% to 100%. Sub-category share varies widely; 5.1% is a blended average.

Four lines deliver two-thirds of units

Key insights

27.7% of units. Dish Washer (5,114) sells 1.5x the #2-line, Refrigerator (3,365).

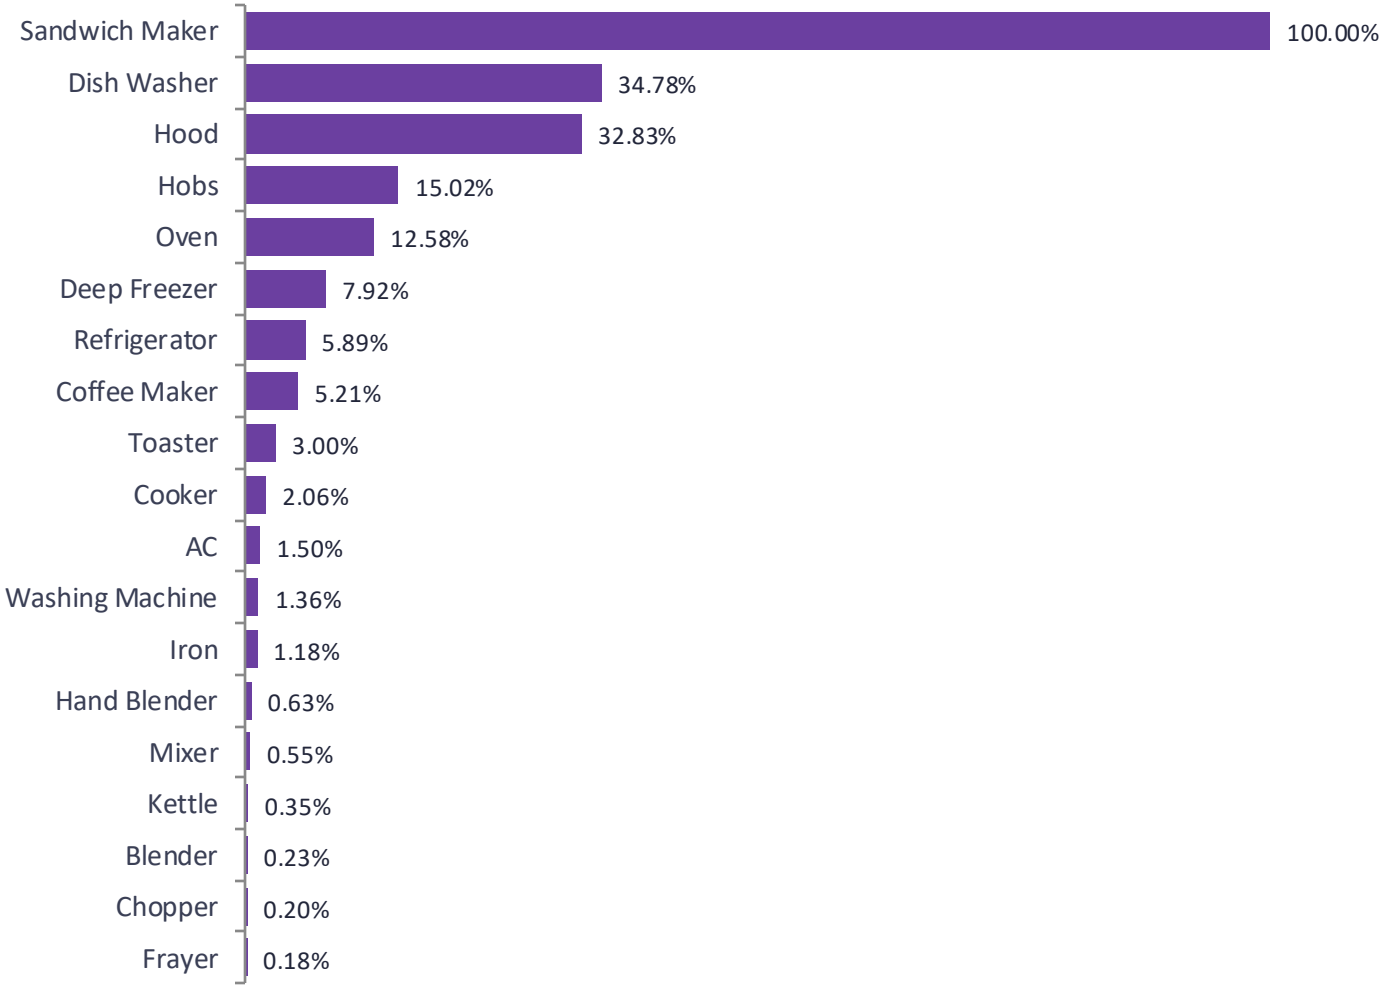

66.1% in four lines. Dish Washer, Refrigerator, Hood and Deep Freezer; the top 5 reach 72.3%.

96.9% in ten lines. The 9 newly launched SDAs add only 564 units (3.1%).

8 lines under 70 units, each below 0.4% of total volume.

Brand share is strong in only a few lines

COMPANY

Key insights

Two anchors. Dish Washer (34.8%) and Hood (32.8%) hold about a third of Company sales.

5 of 19 above 12%; 10 are below 3%. Sandwich Maker's 100% rests on just 20 units.

Volume is not share. Refrigerator is #2 in units but holds 5.9%; Washing Machine is #5 at 1.4%.

Blended 5.1% averages a 12%+ core with a sub-3% tail.

Volume and share diverge

48.6%
of units | 8,952

Share strongholds (share 12.5% or more)

Dish Washer 34.8% | Hood 32.8% | Hobs 15.0% | Oven 12.6%

48.4%
of units | 8,917

High volume, low share (share 7.9% or less)

Refrigerator 5.9% | Deep Freezer 7.9% | Coffee Maker 5.2% | Cooker 2.1% | AC 1.5% | Washing Machine 1.4%

3.1%
of units | 564

Newly launched SDAs

Iron, Kettle, Toaster, Mixer, Hand Blender, Chopper, Blender, Frayer and Sandwich Maker (100% share on 20 units)

Key insights

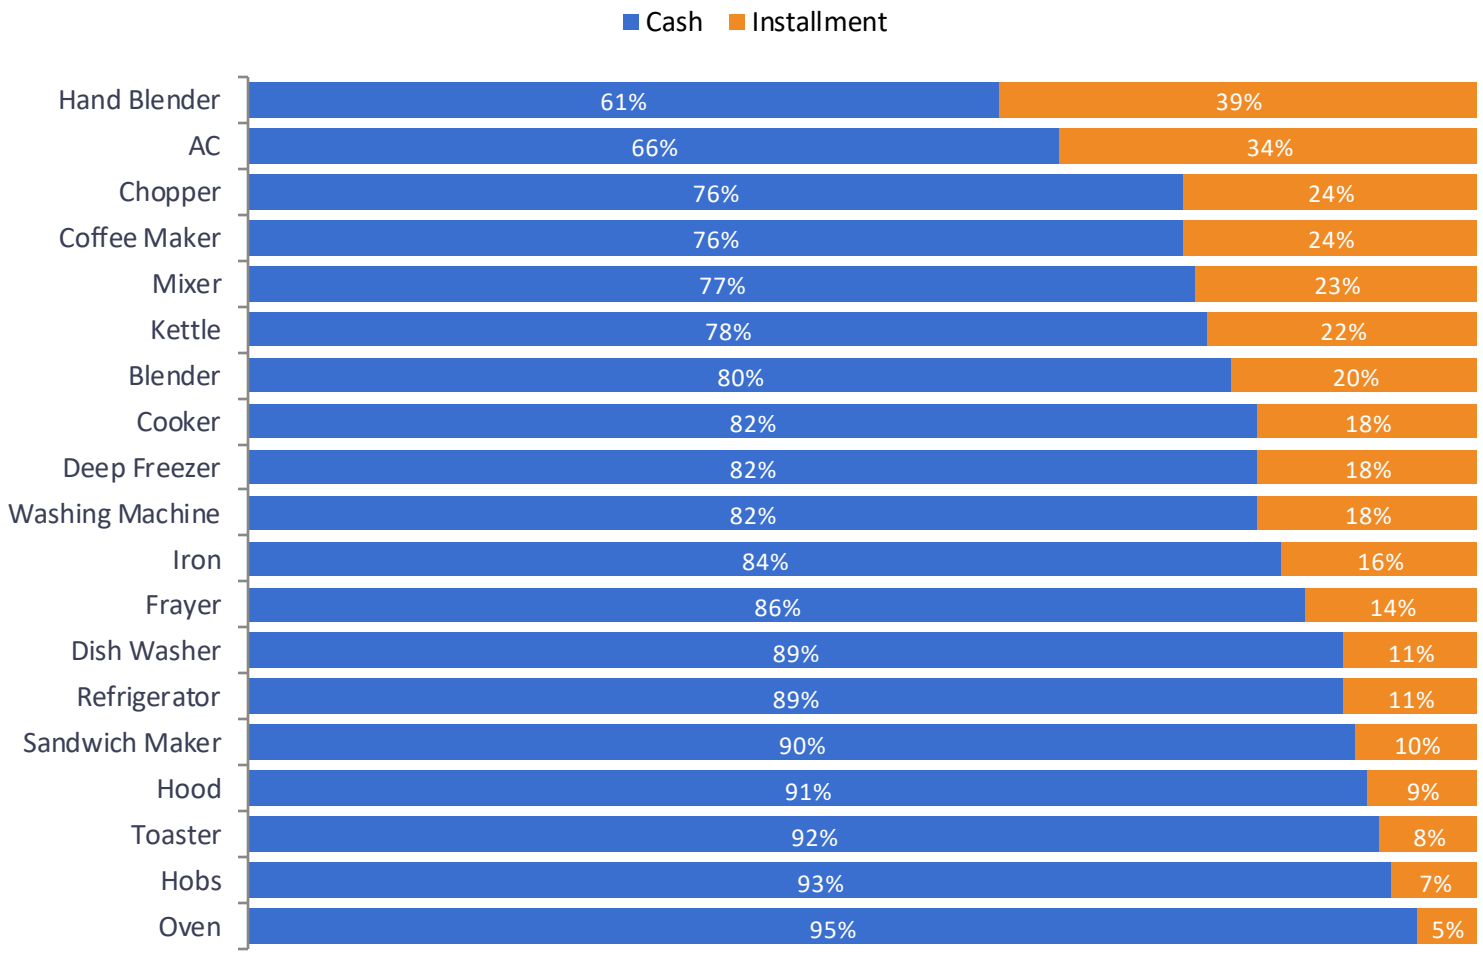

Even split. 48.6% of units come from share-strong lines, 48.4% from low-share lines.

23.8% vs 4.0%. Average share of the two groups, at nearly identical unit volume.

8,917 units sit in six lines where Brand x holds 8% share or less.

New SDAs: 3.1% of units, with share at or below 3.0% in all but Sandwich Maker.

Installment use varies 8x across lines

Key insights

5% to 39%. Installment share spans a 7.8x range, from Oven to Hand Blender.

Above one-third: only Hand Blender (39%) and AC (34%).

13 of 19 lines are 80%+ cash; Oven (95%), Hobs (93%) and Toaster (92%) lead.

SDAs lean on credit: about 22% of SDA units on installment vs about 13% for other lines.

SDA = Coffee Maker + the 9 new SDAs (units sum to 1,431). SDA vs other-lines % is volume-weighted from rounded source figures.

Monthly volume swings sharply

Key insights

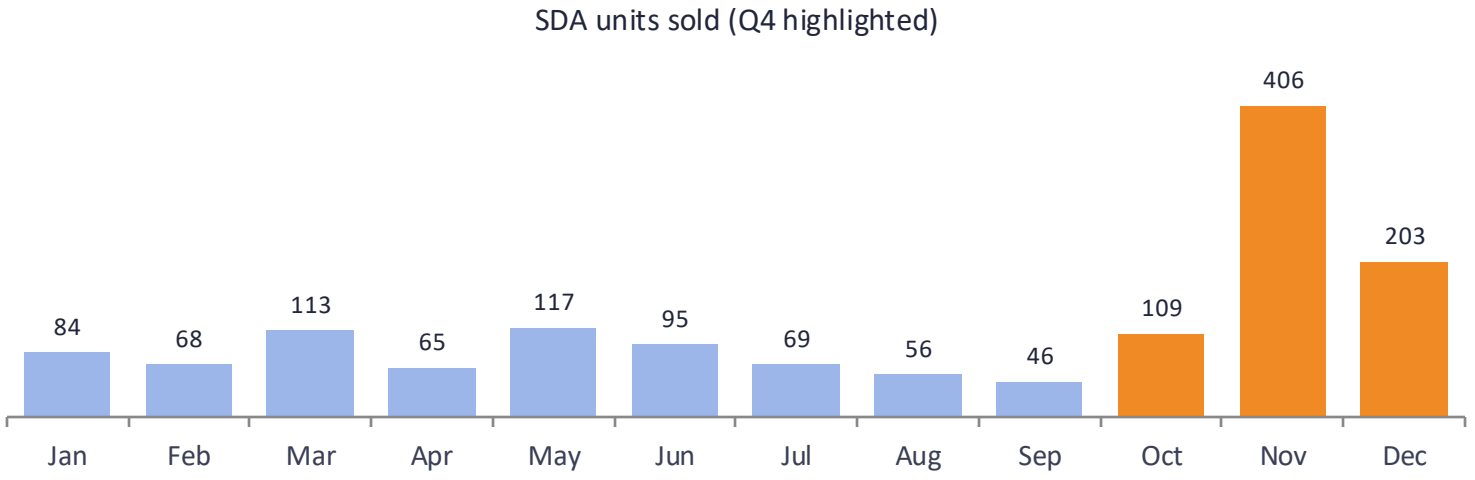

1,536 units a month on average; six months land above it, six below.

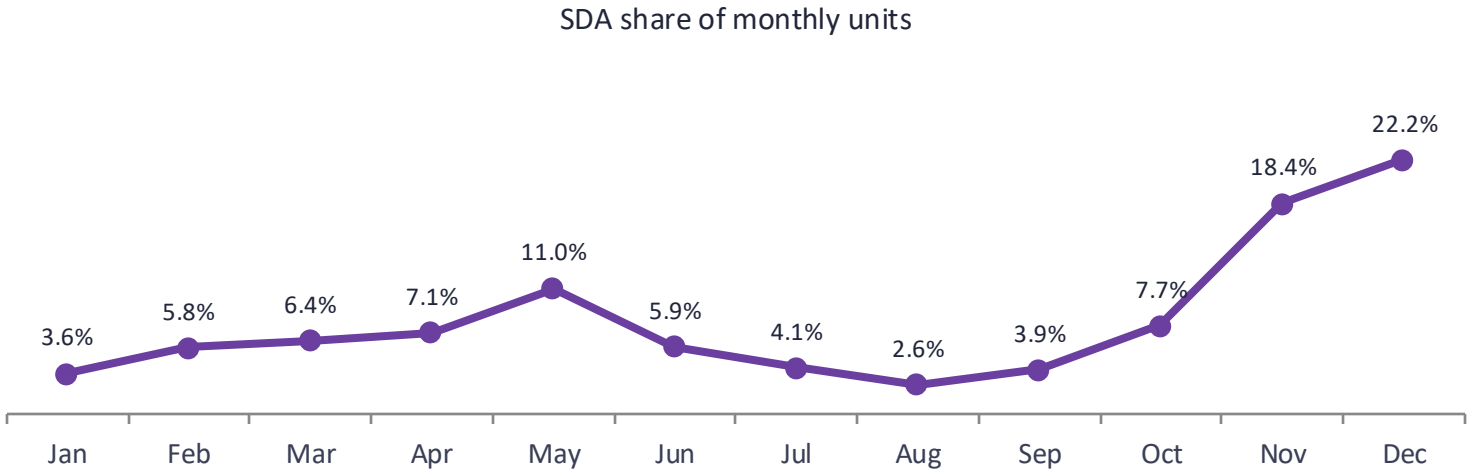

2.6x swing: from 2,337 in Jan to 914 in Dec, the low of the year.

Peaks reverse hard: Jan to Feb -50%, Mar to Apr -48%, Aug to Sep -47%, Nov to Dec -59%.

H2 is 7.6% above H1. Q1 is the strongest quarter (28.7%), Q2 the weakest (19.5%).

Q4 SDA launches lifted the category

Key insights

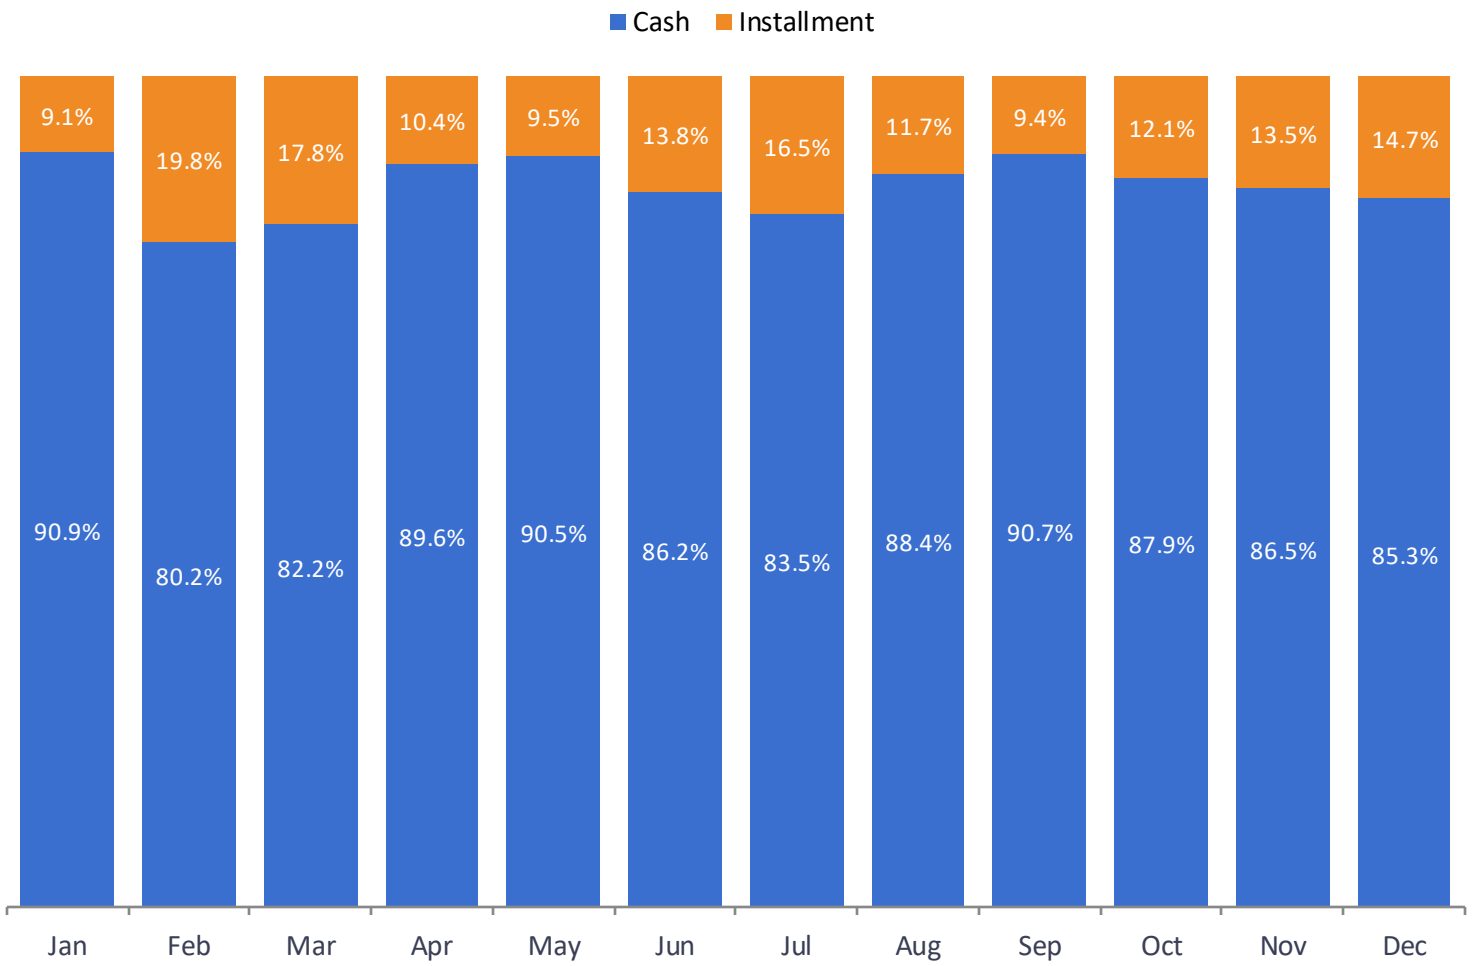

1,431 SDA units (7.8% of total); Q4 alone delivers 718, or 50.2%.

Nov: 406 units, 8.8x September (46); Dec holds 203, 2.6x the Jan-Sep average.

SDA share of units: 2.6% to 11.0% in Jan-Oct, then 18.4% (Nov) and 22.2% (Dec).

Q4 vs Q3: total units -9.9%, SDA 4.2x (171 to 718), all other lines -21.6%.

Installment share climbs through Q4

Key insights

Cash leads every month: 80.2% (Feb) to 90.9% (Jan).

Feb jump: installment share doubles from 9.1% to 19.8% (+10.7 pp).

Four straight rises Sep to Dec: 9.4%, 12.1%, 13.5%, 14.7%, alongside the Q4 SDA surge.

By quarter, about 14.4% (Q1), 11.7% (Q2), 12.7% (Q3), 13.3% (Q4) installment.
